# Save Water, Save Life!

## Water Guardian Challenge for Classes 1 to 6

**Become a Water Guardian! Choose ANY 3 of the 6 tasks below, do them with a parent or teacher, and write how you did them. Then ask a parent or guardian to email this PDF to us. You will get a free certificate!**

1. Pick 3 tasks and do them.
2. Write how you did each one (pages 2 and 3).
3. Optional: add your poster and certificate name (page 4).
4. A parent or guardian confirms and emails it to us.

## The 6 tasks (choose any 3)

### Turn off the tap

Turn off the tap while brushing your teeth, for 3 days.

### Find a leak

With an adult, look for leaking taps at home or school and tell an adult. Never fix them yourself.

### Use water wisely

Use only the water you need for washing and cleaning.

### Keep our water clean

Never throw rubbish into drains, streams or rivers. Use a bin.

### Create a water poster

Draw a poster with the slogan Save Water, Save Life! Add it on page 4.

### Inspire someone

Share one water-saving tip with a friend, classmate or teacher.

**Safety first: never touch electrical equipment near water, try to repair taps or pipes yourself, or go near unsafe water such as rivers and canals. Always ask an adult for help.**

# Save Water, Save Life!

## My Task Log (page 2)

Tick the tasks you did and write how you did them. You only need 3 in total.

### ☐ Task 1: Turn off the tap

Turn off the tap while brushing your teeth, for 3 days.

**How I did it and what I learned:**

**Date I did it:**

### ☐ Task 2: Find a leak

With an adult, look for leaking taps at home or school and tell an adult. Never fix them yourself.

**How I did it and what I learned:**

**Date I did it:**

### ☐ Task 3: Use water wisely

Use only the water you need for washing and cleaning.

**How I did it and what I learned:**

**Date I did it:**

# Save Water, Save Life!

## My Task Log (page 3)

Tick the tasks you did and write how you did them. You only need 3 in total.

☐ **Task 4: Keep our water clean**

Never throw rubbish into drains, streams or rivers. Use a bin.

**How I did it and what I learned:**

**Date I did it:**

Share one water-saving tip with a friend, classmate or teacher.

**How I did it and what I learned:**

**Date I did it:**

# Save Water, Save Life!

**My Poster and My Certificate**

## My poster (Task 5)

### Draw or stick your poster here

Slogan: Save Water, Save Life!

Print this page and use the box, or draw on any paper.

Your poster is yours to keep and display at home or school with permission. Sending it to us is optional. If you do, never put a surname, school or photos of people on it.

## Personalise your certificate (optional)

**First name (optional):**

Privacy: the first name is used only to prepare your certificate. It is never shown publicly, published on our website, or shared for promotion. Only the people preparing certificates can see it.

☐ Parent or guardian: I confirm this child did the tasks above and I am sending this on their behalf. I understand The Study Guys will use it only to prepare the certificate, and will not publish any child's name, class, school or photo.

## Send it to us

**Parent or guardian: please email this completed PDF to contact@thestudyguys.com with the subject: My Water Guardian Challenge. Sending a poster is optional and not needed to complete the challenge. Please do not send photos of children or any other personal information.**

Submissions are deleted after the certificate has been sent, as explained in the privacy notice on our website. To ask for a deletion sooner, just email us.
